

# ***ADOPT-A-DINO UC GIVING DAY MATCHING PROGRAM***

## ***PROGRAM DETAILS***

In 2019 and again in 2020, the University of Calgary has offered to partner with our 5Q Association to provide a matching donation opportunity for our football program.

In summary, the UC has offered the 5Q a dollar for dollar match for every dollar raised within our Adopt-A-Dino initiative up to a total of \$50,000.

The 5Q showcases the Adopt-A-Dino initiative at the annual 5Q Dinner (April 2, 2020 – Hotel Arts), but the UC matching opportunity is currently available to us until the UC Giving Day initiative ends on April 30, 2020.

As always, a charitable donation receipt is available for all Adopt-A-Dino funds raised by the 5Q. Any donations in excess of \$2,500 should be divided into equal increments with separate cheques for each component.

Attached to this information circular is an Adopt-A-Dino donation form. Please consider this initiative and thank you for your support of Dinos football. Dinos - 5Q Association.
